The screenshot displays a project management interface. On the left, a sidebar shows a workspace named 'amakar's workspace' with an 'INBOX' and a goal '2019 Goal - Lose 20 in 10 wks'. The goal is broken down into 'Week 1' and 'Week 2', with days of the week listed. The main area shows a Kanban board with four columns: 'No Status' (0 items), 'To Do' (3 items), 'In Progress' (1 item), and 'Done' (1 item). The 'To Do' column contains tasks like 'Lunch day 1 - 1 salad + protein', 'Log nutrition and activity', and 'Dinner < 500 calories'. The 'In Progress' column has 'Make Green Smoothie Day 1'. The 'Done' column has 'Record initial weight'. Each task card includes a title, a goal reference, a date, and a time range.
